Quality Index (Q_t) Calculator

This Software License Agreement (“Agreement”) is between **Metal Casting Development LLC** (“Licensor”) and the user (“Licensee”).

By using the Quality Index (Q_t) Calculator (“Software”), you agree to the terms below.

1. License Grant

Licensor grants Licensee a **non-exclusive, non-transferable, limited license** to use the Software on a single machine, subject to the terms of this Agreement.

Use is restricted to the Licensee’s internal business purposes.

2. License Scope

- The Software is licensed, not sold
- The license is **machine-specific** and tied to the issued license file
- A separate license is required for each machine unless otherwise agreed in writing

3. Restrictions

Licensee shall not:

- Copy, distribute, or share the Software or license file outside their organization
- Modify, reverse engineer, decompile, or attempt to extract source code
- Circumvent or attempt to bypass licensing controls
- Use the Software to provide commercial services to third parties without written permission

4. License File

- The Software requires a valid license file to operate
- The license file is specific to a machine and expiry date
- Any modification or tampering with the license file invalidates the license

5. Data & Storage

- All data generated by the Software is stored locally
- Licensor does not collect or transmit user data
- Licensee is responsible for data backup and integrity

6. Updates

- Licensor may provide updates, including changes to coefficients and functionality
- Updates may require a new license file
- Licensor is not obligated to provide updates unless agreed separately

7. Intellectual Property

The Software, including all algorithms, calculations, and underlying methodology, remains the intellectual property of Licensor.

No ownership rights are transferred under this Agreement.

8. Disclaimer

The Software is provided “as is” without warranties of any kind.

Licensor does not guarantee:

- accuracy of results
- suitability for any specific application
- compliance with any standard or specification

9. Limitation of Liability

To the maximum extent permitted by law:

Licensor shall not be liable for:

- any indirect, incidental, or consequential damages
- loss of production, profit, or business
- decisions made based on Software output

Use of the Software is at Licensee’s own risk.

10. Term & Termination

- The license remains valid until expiry or termination
- Licensor may terminate the license if terms are violated
- Upon termination, Licensee must cease use of the Software

11. Governing Law

This Agreement shall be governed by the laws of the State of Ohio, USA.

12. Entire Agreement

This Agreement constitutes the entire agreement between the parties regarding the Software.
